LYNX LACES

22% CHANCE

- ☐ Collected
- ☐ Signed

White ice hockey skate laces with red accents twist into the Lynx name against black. A creative nod to an essential part of every player's kit.

CUBIST LENNOX HEAD

22% CHANCE

- ☐ Collected
- ☐ Signed

Lennox gets a cubist makeover. Angular shapes and geometric facets build the familiar Lynx head in black, white and grey, with bold red accents.

MASK & STICKS

16% CHANCE

- ☐ Collected
- ☐ Signed

A Lynx face in a classic goalie mask, framed by crossed sticks. Original artwork by Chris Graham, aka Dfunkt Robot, who also created this season's warm-up shirt artwork.

LYNX HOCKEY

16% CHANCE

- ☐ Collected

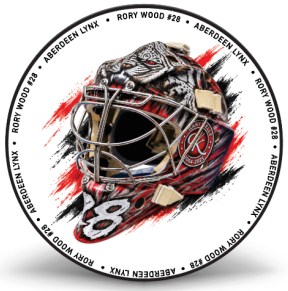
Decorative red lettering by local artist and tattoo artist Kevin Reid. His studio, Noose and Needle, is also the Lynx helmet sponsor.

DAY OF THE DEAD

14% CHANCE

- ☐ Collected
- ☐ Signed

A vibrant pink, black and white design inspired by Day of the Dead art. Floral patterns and intricate decorative details give the familiar Lynx head a distinctive look.



RORY WOOD

10% | 1 IN 10

- ☐ Collected
- ☐ Signed

The rarest design. A genuine white netminder's training puck featuring an artist's impression of Lynx netminder Rory Wood's airbrushed helmet.

LOOK OUT FOR PLAYER SIGNATURES Randomly selected pucks are signed by Lynx players.

One randomly selected puck per pack. Designs and signatures cannot be chosen; signed pucks are not guaranteed.

Chances reflect the overall production mix. Duplicate designs are possible. Collect all six and swap with fellow fans.
